Dear [FIRST NAME],

ATRIO and P3 have been partners since January 2020. This partnership allows P3 to continue to support ATRIO in providing the best possible care to ATRIO Medicare Advantage members in Marion, Polk, and Douglas Counties.

We are pleased to announce that P3 Health Partners and ATRIO Health Plans recently partnered with Lincare Inc. to be the exclusive provider of specific durable medical equipment (DME) and supplies for our Medicare Advantage members in Douglas, Marion, and Polk Counties.

Beginning Jan. 1, 2023, your DME provider [Provider Name], will no longer be part of the ATRIO-P3 Medicare Advantage Network in your county.

We understand your relationship with [Provider Name] is very important. We apologize for any inconvenience this may cause. If you are currently receiving on-going services from [Provider Name], you will be contacted to start the transition to Lincare.

In some situations, you may be able to continue receiving your DME and supplies from an out-of-network provider for up to 90 days, after the deadline. For example, if you are actively getting treatment for a serious medical condition, such as chemotherapy or radiation therapy, you may qualify for "Continuity of Care." Call the P3 Care Management team to see if you qualify. You will need authorization to continue services with [Provider Name], past the deadline. Please contact your primary care provider and review your evidence of coverage benefit information.

Supporting you, your health and your peace of mind is our highest priority. If you have any questions or concerns, please contact our P3 Care Management team by phone at (503) 391-4182 or by email at CMOregon@p3hp.org.

Sincerely,

A handwritten signature in black ink that reads "Darren E. Wethers".
